

TUTORBURG PROUDLY PRESENTS SUMMER WRITERS WORKSHOP 2020

Who: This workshop is designed for students who have completed the (2) second grade through (8) eighth grade. High School level available for an additional \$20 fee per student (to cover the cost of additional materials).

Writers Workshop: This workshop is modeled after a well-known, well respected writing program that follows a systematic and comprehensive approach to writing. Ask me about it; I would love to tell you more. Students will each receive their own binder with guided student writing prompts and checklists. Students will learn to create a Key Word Outline for a provided text. Using the Key Word Outline they will retell in their own words and transfer to paper. Students will be introduced to dress-ups, strong verbs, and enhance their vocabulary by replacing banned words with words from a thesaurus. There will be minimal homework outside of class time. If handwriting is laborious or a major concern please provide your student with a device (no internet provided and not liable if lost or stolen) so they can type their work.

Registration: On or before Tutorburg Summer Enrollment OPEN HOUSE Friday, May 1, 2020 from 4:00-8:00 PM. Tutorburg is located at 501 ½ Court Street Williamsburg, IA 52361.
